

**REMARKS**

In the claims, Applicant amends claims 25-29 and 31 to clarify antecedent references. In claim 26, the word "and" is added after the phrase "...points A and B; and".

In the specification, Applicant amends the language of the Summary of Invention section to track the claims as amended. Applicant further amends the paragraph beginning at page 14 , line 18 to insert the word "to" in the phrase "...informing the ingress card how to transmit on a new MCI..."

No new matter has been added by way of the present Amendment.

Applicant respectfully requests that the foregoing amendments be incorporated in the application. The Examiner is invited to contact the undersigned attorney by telephone to discuss this case further, if necessary.

Respectfully submitted
